

## ALL TURNING TO MCKINLEY.

THE XXXIHD AND XXXIVTH CONGRESS DISTRICTS STRONG FOR THE OHIO MAN.

MORTON DELEGATES FROM OTHER DISTRICTS MAY ULTIMATELY FAVOR MCKINLEY—PLATT.

UNABLE TO GET HIS MEN TO PLEDGE THEMSELVES AFTER THE FIRST BALLOT.

[FROM THE REGULAR CORRESPONDENT OF THE TRIBUNE.]

Albany, March 15.—Remarkable as have been the general manifestations in this State during the week of a keen desire of many Republicans that William McKinley, of Ohio, should be nominated for President at the Republican National Convention, these demonstrations do not feebly represent the great personal feeling in Mr. McKinley's favor in every nook and corner of the State. Talks with the Republican members of the Legislature, who weekly visit their constituents, disclose a tremendous popular movement in support of Mr. McKinley. Nothing but desperate efforts on the part of the Platt office-holders, Platt State Committee, Platt legislative employees, and Platt State officials have kept suppressing the earnest feeling of regard felt by thousands of Republican voters toward the Ohio man.

Notwithstanding the efforts of Mr. Platt's able henchmen, support of McKinley has bubbled to the surface at a large number of conventions. The election yesterday of two McKinley delegates from the XXXIHD Congress District, one of the Erie County districts, was the result of a genuine popular movement.

It was only a fortnight ago that William C. Warren, of "The Buffalo Commercial," began printing in his newspaper interviews with leading Republicans of Erie County in regard to their choice for President. At that time the Republican organization in Erie County was conducting a flirtation with Mr. Platt, and had resolved to elect James A. Roberts and George Urban, Jr., as delegates from the XXXIHD District, pledged to support Governor Morton for several ballots. Mr. Warren's interviews, printed in "The Buffalo Commercial," clearly revealed the fact that nine-tenths of the Republican voters in the Congress district mentioned desired delegates elected who would vote for McKinley on the first ballot, and not give even any complimentary votes to Governor Morton. All that Mr. Roberts and Mr. Urban were intending to do was to support Mr. Morton up to the period of his withdrawal as a candidate. But this attitude did not satisfy the Buffalo Republicans; they were resolved that delegates should be elected from that Congress district who would vote for McKinley on the first ballot.

There was an unexplained attendance at the Republican primaries held in Buffalo and in the rural towns of Erie County on Friday last.

"It looked," said one who was present, "like an election." The result of the contest was the election of a strong majority of McKinley delegates to the Congress District Convention, which was held yesterday in Buffalo. Upon a test-vote of the strength of the McKinley and Morton delegates, the former received 113 votes and the latter 22. There naturally followed the election of two straight-out McKinley delegates, George E. Matthews, the Editor of "The Buffalo Express," and Wesley C. Dudley. Two alternates were also elected, who will vote for McKinley on the first ballot at the Republican National Convention. The following resolutions were passed as expressing the McKinley sentiment:

Resolved, That we stand for home rule, home markets, honest money, protection to home industry, and for our brilliant representative, William McKinley.

Resolved, That in pledging ourselves unreservedly for William McKinley for President, we do so at the same time to express our warm appreciation of and friendship for our esteemed fellow-delegates James A. Roberts and George Urban, Jr., and pledge to them our unreserved personal and party fealty.

But for the lavish use of "canal patronage" by George W. Aldridge, the Superintendent of Public Works, the XXXIHD Congress District also would have been carried by the supporters of Mr. McKinley. As it was, the McKinley men polled twenty-one votes to forty cast for the Morton delegates.

The McKinley movement in New-York State also found expression on Saturday in the XXXIVth Congress District, composed of the counties of Cattaraugus, Chautauque and Allegany. The Congress convention in this district has not yet been called, but the delegates to the Republican State Convention from the two Assembly districts of Chautauque County were elected on Saturday. They are unanimously for McKinley; therefore, there is a strong probability of McKinley delegates being elected also from the XXXIVth Congress District; since, if McKinley delegates from any one of the three Assembly districts within the limits of the counties of Cattaraugus and Allegany are elected, they will have control of the Congress District Convention.

At the convention held in the 1st District of Chautauque County yesterday the roll was called, on motion of Frank W. Stevens, to give each member of the convention an opportunity to express his preference for President. Every delegate in the convention pronounced in favor of McKinley, except Mr. Frank, of the town of Busti, who emphatically called out "Morton" in response to the call of his name. The following resolutions, which were passed, show the spirit of the convention:

Resolved, That the delegates to the State Convention are instructed to vote at that convention for any resolution or resolutions that may be adopted for the Presidency of any person other than William McKinley, and to vote against any and all persons who are not supporters of William McKinley.

By a unanimous vote, the delegates to the National Republican Convention from the district, when selected, were instructed to vote "first, last and all the time" for McKinley for President. Moreover, by a vote of 75 to 6, Egbert E. Woodbury was selected as the district's choice for one of the two delegates from the Congress District.

The additional requirements provided for by Section 52 of the Election Law, which relate to primary elections, are as follows:

First.—An elector shall be appointed to bring to the canvass of the canvassers a list of the names of all persons who are entitled to vote at the election, and to receive money or other valuable thing, directly or indirectly, after such election for having so refrained from voting for or against any person.

Second.—Candidates and delegates and officers of the organization or committee shall be chosen by ballot.

Third.—The meeting shall be held open not less than one hour for voting the roll.

Fourth.—The tellers shall keep a poll list of the name and residence of each person voting, and assist the secretary in the canvass of the votes.

Fifth.—An elector shall be appointed to watch for each candidate or set of candidates or delegates requesting the same.

The chairman shall publicly announce the number of votes cast for each candidate, and the result of the canvass at the completion thereof, and shall go to the office of the County Clerk, where the roll shall be kept, and the poll list kept thereat, in the office of the County Clerk, and the papers so filed shall be public records, and open to inspection and examination by any elector of the State.

ALLISON'S BOOM REACHES CALIFORNIA.

Los Angeles, March 15.—The Allison boom was formally opened yesterday by J. S. Clarkson, of Iowa, who is believed to be the only delegate candidate, Mr. Clarkson left here for San Francisco in the evening with his party.

BOSTON DEMANDS THE GOLD STANDARD.

Boston, March 15.—The Boston Merchants' Association held a meeting yesterday afternoon and adopted the following resolution:

Resolved, That the continued agitation for free coinage of silver stands in the way of revival of confidence and business prosperity and results in an enormous cost to the people. The interest paid on Government loans is only a small part of the cost. There must be a large body of the gold standard that its safety shall be free from any shadow of doubt and who will not tolerate doubtful gold standard of the free coinage of silver.
